Hi Melissa,

I had requested Items #1 & #2 (digital maintenance requests) as spreadsheets, but received PDFs. Can you provide these as spreadsheets, please? If not, I intend to file a Request for Review.

Thanks,  
Reed

Under Illinois FOIA 5 ILCS 140/1, I request the following. Additionally, per Section 2(h), "Voluminous Request" does not apply because this is a request made by a news organization for

"(1) to access and disseminate information concerning news and current or passing events; (2) for articles of opinion or features of interest to the public;"

1. digital maintenance requests submitted by staff, administration, or others at/for original Dennis/Mosaic from January 1, 2017 through the August 1, 2023. Please send as a spreadsheet (.csv or .xlsx). Please exclude photos, except for any requests related to the staircase which is now separating from the building.
2. digital maintenance requests submitted by staff, administration, or others at/for original French Academy/Kaleidoscope from January 1, 2017 through August 1, 2023. Please send as a spreadsheet (.csv or .xlsx). Please exclude photos, except for any requests related to the parapet / wall that is now structurally unsound.
3. Denise Swarthout detailed to me "The list is referencing projects the B&G department was scheduled to complete this school year, including window and door replacements, playground installation, etc." Please send that list, which is for School year 2022-2023.
4. I heard that Garfield was on the list to receive a playground for the 22-23 school year. I'd like a copy of that list, if it is not the same list as the above item #3.
5. Documentation related to the last re-roofing project at Kaleidoscope (Former French Academy). This should include any contract for work, purchase order, and any report/analyses from the construction/engineering firm.
6. The Requisition and the Purchase order for the May 30th BFW inspection of Dennis Schools.
7. The Requisition and the Purchase order for the June 1 (or thereabout) Klingner inspection of Dennis Schools.
8. Record of Site-Based Expenditures for Garfield Learning Academy from May 30th, 2023 - August 1, 2023.
