Kent,

I can't really get those kinds of answers through FOIA though, since that's just for existing documents & communications.

But I understand, and thank you for replying this time.

Regards,
Reed

Reed,

Please do not consider this a precedent as we truly need these requests to be FOIA's instead of just emails or letters.

I am answering your questions because the answers you are seeking are more easily addressed by this email, and it saves your time, my time and Melissa's time.

Here are my answers:

1. I cannot.
2. I do not know.
3. I do not know.

These items predate my November 2021 employment at DPS.

All future requests for information must be through a formal FOIA request.

Subject: HLS Surveys, but 2017 Maintenance Requests

Hi Kent,

I'm reviewing Digital Maintenance Requests for Dennis/Mosaic, and there are quite a few with the note "2013 Ten-Year Health Life Safety Report" in the description of the request, but the request date is Feb 22, 2017. I've attached a spreadsheet. I can send as a CSV or pdf export if you can't open outside xlxs files.

1. Can you help me understand why 2013 HLS reports are recorded as 2017 requests?
2. About 18 of those HLS reports show repairs were completed in 2019. Is that accurate?
3. Some are marked as completed within a couple weeks of the 2017 request date. Are those accurate?

Thanks,
Reed Sutman
