Subject: FOIA Request - Dennis Estimates

Under Illinois FOIA, I request the following:

1. Documents, emails, or other records detailing repair estimates for Dennis Lab's Mosaic Campus, regarding 2023 structural issues.
2. Documents, emails, or other records detailing repair estimates for Dennis Lab's Kaleidoscope Campus, regarding 2023 structural issues.

Mark Reynolds mentioned these repair estimates last night during BOE and said the Mosaic estimate was around 1.1 million. Kent Metzger had said two firms had responded to District requests, so I'd expect 2 estimates for each building.
